The Wappingers Crew Club is a parent run and funded club operating within the Wappingers Central School District for the benefit of Wappingers Central School students. The club was established in 2004 by a group of individuals dedicated to providing students within the Wappingers Central School District the opportunity to participate in the historic sport of rowing. Our club consists of athletes from John Jay High School, Roy C. Ketcham High School, Van Wyck Junior High, and Wappingers Junior High. We collect annual dues to participate on the team. To help defray cost, our rowers are seeking sponsorship from businesses in our community.

Besides paying annual dues, we also fundraise annually to cover operating expenses such as: US Rowing dues, insurance, boat maintenance and repairs, and travel and regatta fees. We have goals to purchase equipment, including new or almost new boats, launches, safety equipment and oars.

Our athletes are looking forward to working hard and being competitive this season. Any donations or financial support from your business will help us achieve our goals, and is greatly appreciated. These donations are tax deductible as we are a not-for-profit tax-exempt club (TAX ID #81-0663732). Your company's name and web address will be proudly displayed on our website <http://www.wappingerscrewclub.org/team-sponsors.html> as a sponsor of our club.

In addition to our team website, we would like to include your business name on our team sponsorship T-shirt. These shirts are proudly worn at regattas, parades, and many of the community events we participate in. Please see our sponsorship form for more information about the levels of sponsorship available. Along with advertising your business, your donation will show your interest in the community and your dedication to support our youth.

If you have any questions about the Wappingers Crew Club, please feel free to contact us at wccwinning@gmail.com. Thank you for your consideration and generosity!

Sincerely,
The Wappingers Crew Club
